Description :

Prsentation de l'diteurLife on the rough side of New Zealand. In this South Auckland neighbourhood where gang culture, drink, drugs, sex and violence is already a way of life, a vicious attack on a teenage girl sparks a ripple effect of revenge and fury. Live the carnage through multiple viewpoints as the tale unfolds to a bloody climax. NOT for the fainthearted. This novel may be about young adults, but it crosses the line and fixes itself firmly into an adult world. WARNING: Language and sexual references are graphic. (R18)Biographie de l'auteurI was born in New Zealand, where my Behind the Lives series is based, and have lived there for most of my life. I love to write, create artwork (including my covers), coach youth football, and referee the occasional match. In 2012 I will be running my first marathon in Singapore where I am currently living. Apparently I want to die young. Just kidding! Anyway, I'll be back in the land of the long white cloud at the beginning of 2013.
