## Description :

Prsentation de l'diteurInternational superstar, Ricky Martin, who has sold more than 60 million albums worldwide, opens up for the first time about memories of his early childhood, experiences in the famed boy band Menudo, struggles with his identity during the Livin' la Vida Loca phenomenon, reflections on coming to terms with his sexuality, relationships that allowed him to embrace love, and life-changing decisions like devoting himself to helping children around the world and becoming a father. Me is an intimate memoir about the very liberating and spiritual journey of one of the most iconic pop-stars of our time.From the Hardcover edition.Revue de presseIn the process of revealing the human being behind the artist, Ricky Martin offers us a testimony of exemplary honesty and greatness of soul. While I was reading, I remembered a verse from the Persian poet Hafez, 'Not even seven thousand years of joy can justify seven years of

repression.' (Paulo Coelho) Ricky Martin has written an extraordinary memoir, the story of a tortured soul who healed himself by returning to the state of innocence and authenticity. His story will speak to you, because it is, in a sense, the story of humanity—of the sacred and the profane, of forbidden lust and unconditional love. It takes courage to be so ruthlessly honest and transparent, but it is only this kind of courage and this kind of love that can heal the world. Bravo! (Deepak Chopra, M.D.)

Présentation de l'auteur International superstar, Ricky Martin, who has sold more than 60 million albums worldwide, opens up for the first time about memories of his early childhood, experiences in the famed boy band Menudo, struggles with his identity during the *Living on a Prayer* phenomenon, reflections on coming to terms with his sexuality, relationships that allowed him to embrace love, and life-changing decisions like devoting himself to helping children around the world and becoming a father. *Me* is an intimate memoir about the very liberating and spiritual journey of one of the most iconic pop-stars of our time. From the Hardcover edition.
